1. Welcome & introductions

The new lay members were welcomed to their first meeting and the Chair outlined the role and purpose of BCTIWC with particular reference to Paper APPLICATION FOR AVR ACCREDITATION - POINTS TO NOTE FOR BCTIWC MEMBERS (previously circulated).

Apologies for absence were received from Janet Butler.

2. Minutes of the meeting held on 15th October 2012 were agreed as a correct record.

3. Matters arising

Practical matters: it was noted that the initial practical arrangements had been completed, including the setting up of a bank account. The Council could potentially act for other relevant professional organisations but members agreed that they needed to develop and test systems and processes with PTUK before considering any extension of their work.

Revised competency standards for clinical supervisors had been approved.

4. PTUK application for AVR Accreditation

JT and MJ reported that the application had been resubmitted. Next steps were; observation of PTUK Board & BCTIWC Meeting, site visit to Uckfield, interviews with the PTUK Directors and BCTIWC Chair. If these were deemed satisfactory, the application should be considered by the panel of the PSA in mid-March 2013. RB confirmed arrangements for annual reporting following successful accreditation and the Council's role is that process.

5. PTUK Directors' Report

JT requested consideration and approval of the following changes to competencies. Final approval would be by email.
